Boutwell Owens achieved national recognition for its human relations efforts in the 3rd annual “Best Workplace in America” (BWA) program, sponsored by the Master Printers of America and Printing Industries of America, Incorporated. We have been awarded Best Workplace honors in 2003 and 2006 and have been recognized with the prestigious “Best of the Best” honor in 2005.

The BWA program allows companies to compare their human relations programs to other companies in the graphic arts industry. A team of graphic arts industry experts evaluated questionnaires filled out by each participant on the following six categories:

- v Work environment & organizational culture;
- v Training & development opportunities;
